*PARENTS, DO NOT TURN IN PAPER COPY TO SCHOOL. You will be asked to upload it to an online form if your child makes a team. Please keep the paper or electronic copy until it expires 12 months after the physical.*

**To the Examining Physician:** This student of South Pasadena Middle School wishes to participate in competitive athletics. Strenuous activity at contests and daily practices will be added to usual school activities. The South Pasadena Middle School Athletic Boosters requires medical approval from a LICENSED PHYSICIAN prior to participation. This approval will be effective for any sport for the entire school year unless otherwise stated, provided there is no intervening injury or serious illness. Please give careful consideration to your recommendation for the pupil's protection. Degree of maturity and emotional stability should be considered as well as physical condition. It is strongly recommended that tetanus immunization be brought up to date. Responses must be based on physical examination within the last 12 months.
